# Hear All Creatures!

## The Journey of an Animal Communicator

*By Karen Anderson*

From "America's Animal Communicator," this is a story of love and loss, courage and tragedy, and the animals that we love. Experience Karen Anderson's first shock as she realized she could literally talk to the animals. But that's only the beginning. Stand by her side as she communicates not only with animals in the "here and now," but with those who have passed on. And hear the profound, sometimes mind-wrenching, messages and insights the animals themselves provide. Find out why we bond with animals on a level that can exceed even our human relationships...and find out how you too can communicate with, and better your relationships with, the animals you love!
